Seed Sensations Watering Can Planter

Item Size: 2.25" tall

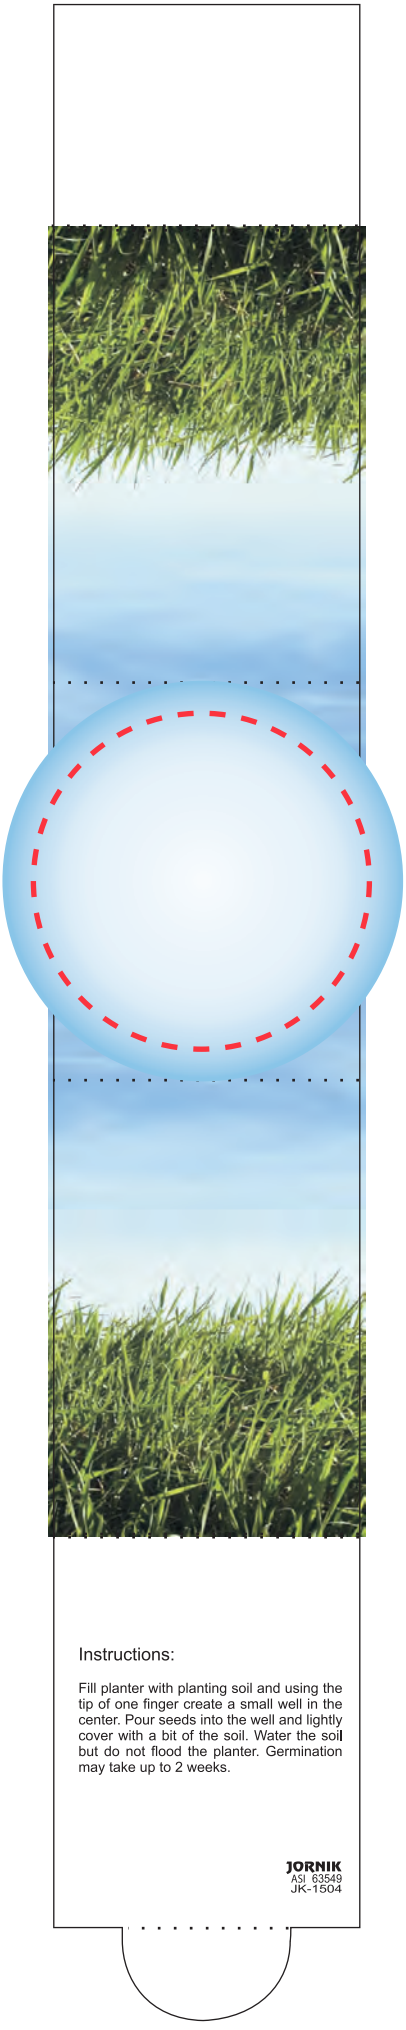

Imprint Size:

On watering can: 1" W x 1.5" H

Optional Imprint on top of preprinted sleeve: 1.75" Diameter

Seed Sensations
Watering Can Planter

Instructions:

Fill planter with planting soil and using the tip of one finger create a small well in the center. Pour seeds into the well and lightly cover with a bit of the soil. Water the soil but do not flood the planter. Germination may take up to 2 weeks.
